TCNA Joins Total Solutions Plus

The Tile Council of North America (TCNA) is pleased to announce that it will partner with the National Tile Contractors Association (NTCA) and the Ceramic Tile Distributors Association (CTDA) to host Total Solutions Plus.

This all industry conference and tabletop display event will be held November 4-6, 2010 at the Naples Grand Beach Resort in Naples, Florida. Full registration information will be announced in the near future.

Total Solutions Plus is an exciting educational and technical conference for tile and stone contractors, distributors, and manufacturers offering training, networking, and recognition.

“We are very excited to partner with NTCA and CTDA to launch Total Solutions Plus,” commented TCNA Executive Director, Eric Astrachan. “Having the annual meetings of the three major industry associations together will give attendees an unprecedented opportunity to network and learn about the most current and critical issues affecting our industry.”

TCNA’s fall board meeting will be held November 3-5, 2010 in conjunction with Total Solutions Plus at the Naples Grand Beach Resort.
