TCNA Member Donates Tiled Purse at Coverings

BonTon Designs (Golden Valley, MN), a Tile Council of North America (TCNA) member, donated a lovely, handmade tile-adorned purse in support of the North American Pavilion at Coverings 2011 in Las Vegas, NV.

The purse will be raffled off at a Monday evening reception hosted by TCNA, National Tile Contractors Association (NTCA), and Ceramic Tile Distributors Association (CTDA) on March 14, 2011 in the North American Pavilion.

“I was happy to donate this purse to assist with the funding of the TCNA, NTCA, and CTDA reception,” stated Mary Anderson, owner and founder of BonTon Designs (booth #3350). “Our handmade purses are created in our Minneapolis studio from recycled clay and recycled tiles and are a beautiful way to be green!”

According to the company, BonTon Designs uses old world methods to create custom handmade tiles, purses, jewelry, and accessories for personal, commercial and residential use. BonTon is environmentally-conscious in all of its tile making practices and strives to respect the natural environment.
